

Junior Women's Civic Club

2017-2018 Membership Committee

Dear JWCC Prospective,

I would like to take this opportunity to introduce you to Junior Women's Civic Club (JWCC) and welcome you as a prospective member for the 2017-2018 year. I hope this letter will familiarize you with our organization.

Our club is one that serves the community as well as our general membership. We are involved in many fundraising projects that provide support for numerous charities and programs in Akron. In the past few years, our club has made large contributions in the interest of women, health, education, the arts and various civic concerns.

Some of our recipients include: Ronald McDonald House of Akron, Salvation Army, Interval Brotherhood Home, Battered Women's Shelter, JWCC Scholarship Fund, Haven of Rest, Stewart's Caring Place, Victims Assistance, Akron Art Museum, Akron-Canton Food Bank, Urban Vision and VNS Hospice Care Center.

In addition to being a civic organization we also enjoy social activities. Some of these include Fall and/or Spring Social, a Scholarship Fundraiser, a Family Event and our Christmas Brunch. These events will be discussed with you in greater detail at future meetings.

With your sponsor, please review your obligations as both a prospective and a member. Please complete the enclosed application and return it to me as soon as possible. **Deadline is Jan. 10, 2018.** Be sure to include a photo and your \$30 application fee. Make checks payable to JWCC.

This will be an exciting year for JWCC as we enter our 72nd year of service. I look forward to meeting you and sharing more information about our organization. I hope you can join us at our planned activities during the coming year.

Sincerely,

Linda Yohman
Membership Chairman
